TERMS OF REFRENCE TO HIRE A STRATEGIC ENGAGEMENT AND PARTNERSHIP EXPERT FOR GENDER MONITORING OFFICE

BACKGROUND

The respect of Gender Equality principle is strongly embedded in the fundamental principles of Rwanda’s Constitution of June 2003 as revised in 2015 and has witnessed a continued supportive political will. Aligning with the Constitution, the Government of Rwanda placed gender equality as one of the key factors contributing to the country’s sustainable development, good governance and inclusiveness. To implement this principle, several policies, laws, strategies and institutional frameworks have been put in place to support the translation of such commitments into action.

To ensure compliance to gender equality principles, the Gender Monitoring Office (GMO) was established and was tasked to ensure that public and private institutions, civil society and faith-based organizations contribute to the attainment of national commitments as enshrined in the National constitution, international/regional instruments as well as policies and programs.

For Gender Monitoring Office to deliver to its broader mandate and realize its strategic outcomes, its Five-year Strategic plan (2017–2022) aspired to foster inclusive partnership by bringing on board new partners while maintaining relationships with the existing ones across all sectors and at different levels.

In line with the above, UNWOMEN on behalf of Gender Monitoring Office is seeking to recruit a dynamic and self-motivated strategic engagement and partnership expert that will support and provide strategic advice on partnering for results.

TASKS AND RESPONSIBILITIES

- Provide strategic Advice to the GMO senior management on institution Building and to relevant units/departments on identification and establishment of innovative partnerships and approaches to enhance accountability to gender equality.
- Guide and Contribute to resource mobilization through advising and supporting development of substantive resource mobilization material;
- Develop high level policy briefs to be used by the Gender Monitoring Office in advancing Gender accountability across different sectors and at different levels to spur policy change and social transformation.
- Analyze and advise on partnership agreement proposals, MoUs before their approval and signature and follow up on commitments made by all parties.
- Participate in the identification and mapping of key partners in gender accountability and GBV service delivery in public, private, CSOs, and religious institutions;
- Mobilize resources and support the preparation of strategic events including GAD and community dialogues;
